Special instructions

Price

Cost for a single film of any 1:20,000-scale separate is \$40 each. Cost for a single film of any 1:24,000-, 1:25,000-, 1:62,500-, and 1:63,360-scale separate is \$36 each and 1:25,000-scale (7.5- by 15-minute) separate is \$46 each. **Add \$9 for each additional color when composited. There is no additional cost for compositing feature separates of one color. A \$3.50 handling charge is applied for each order mailed.**

Examples for figuring total price:

Three separates (three plates) of the 1:24,000-scale map:

Quantity (No. of plates)	Unit Price	Shipping/ Handling	Total Price
3 x	\$36	+ \$3.50	= \$111.50

Three color separates (composited on one plate) of the 1:20,000-scale map:

Quantity (No. of plates)	Unit Price	Additional Color cost	Shipping/ Handling	Total Price
1 x	\$40	+ (2 X \$9)	+ \$3.50	= \$61.50
